In re Application of
Raja Singh Tuli
Application No. 09/918,523
Filed: August 1, 2001
Attorney Docket No. 16443

ON PETITION

This is a decision in response to the renewed petition, filed July 25, 2008, to revive the above-identified application under the provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

The application became abandoned for failure to timely pay the issue and publication fees on or before April 7, 2005. A Notice of Abandonment was mailed on June 13, 2005. On September 28, 2007, a petition under 37 CFR 1.137(b) was filed. The petition was dismissed in a decision mailed January 25, 2008. In response on September 9, 2008, the present petition was filed, including an appropriate 4-month petition for extension of time.

This application has been abandoned for an extended period of time. The U.S. Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional." See Changes to Patent Practice and Procedure, 62 Fed. Reg., at 53160 and 53178; 1203 Off. Gaz. Pat. Office, at 88 and 103 (responses to comments 64 and 109) (applicant obligated under 37 CFR 10.18 to inquire into the underlying facts and circumstances when providing the statement required by 37 CFR 1.137(b) to the U.S. Patent and Trademark Office).

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$700 and the publication fee of \$300; (2) the petition fee of \$750; and (3) an adequate showing and statement of unintentional delay.

This application is being referred to the Office of Data Management for processing into a patent.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3204. Telephone inquiries related to processing as a patent should be directed to (571) 272-4200.
